

## **Sarah Bygrave**

Sarah moved to Stotfold in 2005 when she married her husband Darren, who attended Etonbury. They have three daughters, two of whom attend Etonbury.

Sarah began her career in Retail Management and then moved onto becoming a Retail Sales Trainer. Once her children were born, she was able to develop her lifelong love for anything aquatic as she had spent most of her school years as a competitive swimmer. She then went on to make swimming her career as a swimming teacher.

She currently runs her own swim school, providing lessons for many local children. During her spare time, she is still in the water and enjoys swimming, aqua yoga and scuba diving. She is delighted to have just completed her first scuba dive with her daughters.

At present Sarah is Chair of Governors at Roecroft Lower School, a role which she finds very interesting and immensely enjoyable. She is very much looking forward to the challenge of Chair at Etonbury and experiencing the next stage of a child's education.
