How to measure your child for school uniform...

Chest:

Place the tape measure under the arms and measure the chest at the fullest part.

Collar:

Measure around the base of the neck where the collar sits.

Hips:

Measure around the bottom, at the fullest part.

Inside Leg:

Measure from the crotch to the top of the shoe.

Waist:

Measure around the natural waistline – where you would normally wear your trousers or skirt.

Our top uniform buying tips...

Sizing Question:

Please contact us if you have any queries with the sizing of garments.

Blazers:

Make sure there is "growing room" on the shoulders and arms. Blazers are machine washable at a low temperature.

Girls Trousers:

These fit just below the waist and are a generous fit. There is no adjustable waist.

Boys Trousers:

These fit true to size and have an adjustable waist.

Jumpers:

The v-neck knitted jumpers can come up fairly small in size. It would be advisable to order a size larger.

Remember:

Choose the sizes closest to your measurements.

Pleated Skirts:

The skirts sits just below the waistline. Fit just below the knee to allow for growth.

Don't forget!

Don't forget name labels, water bottles and mouth guards!
