

Dear Parents and Carers,

As we have reached the end of the examination season, I would like to take this opportunity to thank you for your support and hard work in helping our Year 11 students through their exams. The past few months have required dedication, encouragement, and patience from families, and this has been greatly appreciated.

I am also very pleased that the examinations have now finished, particularly as the weather has turned warmer and the World Cup has begun. Our students have worked incredibly hard and thoroughly deserve the opportunity to relax and enjoy their summer.

Before students leave us, I would like to remind families that, if you have any unwanted school uniform or calculators that are still in good condition, we would be very grateful for any donations. These items can make a real difference to future students and their families.

Year 11 Prom

We are very much looking forward to celebrating with our students at the Year 11 Prom on Friday 26 June.

Arrival: Between 7.00pm and 7.30pm

Carriages: 11.00pm

Students do not need to bring a physical ticket, as we will be using a register on arrival.

We ask that students do not bring rucksacks or large bags with them. However, if a student does need to bring a bag, it will be searched by a member of staff upon entry.

As students are under the age of 18, they must not bring alcohol or any other prohibited substances to the event. Any such items will be confiscated, and appropriate action will be taken.

Squash and a finger buffet will be provided for all students. Soft drinks will also be available to purchase from the bar.

I am very much looking forward to seeing everyone on the evening. Prom is a wonderful opportunity to celebrate the end of students' time at school and marks an important rite of passage as they move on to the next stage of their lives. I am sure it will be a memorable and enjoyable occasion for all.

GCSE Results Day will take place on Thursday 20th August, with results available for collection between 8:30am and 10:30am from the six-form centre.

We strongly encourage students to come into school to collect their results in person. This allows staff to offer support and guidance, particularly if a student wishes to request a review of marking or a re-mark of an examination paper. In these cases, we can help complete the necessary paperwork and submit requests promptly.

If a student is unable to attend school to collect their results on the day, they may request to receive their results by email. To do this, the student must email Mrs G Williams, GWilliams@bestacademies.org.uk from their school email account no later than 13 July, and request that their GCSE results are emailed to them on results day. Requests made by parents or carers cannot be accepted, as examination regulations require us to obtain permission directly from the student.

We look forward to celebrating our students' achievements and supporting them as they take their next steps.

Thank you once again for your continued support.

Yours faithfully,

Karen Hume
