I just wanted to email to congratulate and thank you on an amazing show. We came to watch tonight and loved it. He has had such an amazing experience and has come home

buzzing every single night. This is his first ever production that he's been part of due to Covid restrictions when he was in lower school final years. This has been a great experience for him and has given him a real confidence boost and has found some great role models from his older peers who he's been acting with.

Thanks so much again for everything you did for our son and congratulations on a fantastic production.

Came to see the show yesterday and it was lovely. The energy and the fun the students had on stage was fab, well done.
