ETONBURY ACADEMY

BEST BEDFORDSHIRE SCHOOLS TRUST

2nd November 2026

Dear Parents/Carers,

We are excited to announce that our school will be participating in The Engagement Platform (TEP) surveys this year. These are online surveys, designed for both students and parents to share their honest feedback about their experiences, well-being, and our overall school environment.

Students will complete the questionnaires in school, you can complete yours here:

https://questions.tep.uk/etonbury

The collection will close on the 18th December. The surveys are quick, completely confidential, and will be administered online.

Your privacy is protected
We will not know who you are. You stay completely anonymous. You don't need to give your name or contact details.

The school never sees individual responses or knows who said what. This survey is operated by The Engagement Platform. You can view their privacy policy on their website (www.tep.uk).

What you'll be asked about
The survey will cover:

- Quick questions about you and your family, such as how many children you have at our school. This helps us understand everyone's feedback better. You can skip most of these questions if you want. (2-3 minutes)
- Your thoughts about the different aspects of school life (4-6 minutes)
- How you support learning at home (1-2 minutes)

Thank you for your continued partnership as we work together to make our school the best place possible for students to grow and thrive.

If you have any questions please get in touch via email rkirkman@bestacademies.org.uk.

Rhys Kirkman
Assistant Principal
