

18th May 2026

Dear Parents and Carers,

Next term, our Year 5 students will be embarking on an exciting Design and Technology project where they will be learning to hand-sew their very own bags (approximately A5 in size).

Towards the end of the term, the children will have the opportunity to personalize and decorate their creations. To help them bring their designs to life, we kindly ask that they bring in some of their own decorative materials from home.

What to Bring

Depending on what your child chooses to design during our planning sessions, they may bring in:

Fabric scraps: A small piece (roughly A5 size) is more than enough to cut and glue.

Embellishments: Items such as sequins, buttons, or ribbons.

A Quick Note on Quantities: Please only send your child in with the exact amount of materials needed for their specific design. We kindly ask that you do not send extra items so we can manage classroom storage effectively.

Thank you so much for your continued support in bringing our creative curriculum to life.

Kind regards,

Year 5 team
