

Helping Children with Maths SATs

FREE online course
for parents!

great
prospects

What does the course cover?

This course is designed to boost your confidence with supporting your child through their maths SATs.

This free online course is designed to help parents and carers to:

- understand what's involved with Key Stage 2 SATs tests
- develop your own confidence with the maths skills children learn at school
- learn encouraging approaches, tools and techniques to support them with their preparation.

How is it completed?

By attending weekly group sessions on Microsoft Teams led by a tutor.

When?

- Starting on Wednesday 25 February 2026 for 5 weeks, including 4, 11, 18 & 25 March 2026.
- From 9:30am to 11:30am on Microsoft Teams.

Cost

The course is fully funded for adults aged 19 years and over in Central Bedfordshire and Bedford Borough, subject to funding criteria eligibility.

How to enrol

By completing our online enquiry form linked at the bottom of this flyer or scan the QR code.
