

Dear Parents and Carers,

It has been fantastic to welcome our Year 11 students back after the Christmas Break and a happy new year to you all.

The form groups will be changing on Monday 12th January and this will be updated on their Bromcom app. Students have already been made aware of these changes during tutor time this week. Just as a reminder the year 11 tutor groups are dynamic and are focused on intervention in the core subjects English, Maths and Science. I am pleased to report that the intervention groups which ran last term have been very successful and many students have made significant progress. Using the recent mock data, assessments and pastoral knowledge of the students we have created the new groups for this term.

Post-16 Options
