

6th February 2026

Dear Parent/Carer,

Maths SATs Booster - Spring2

I am writing to you as your child has been selected to take part in a Maths SATs booster group to help them improve their arithmetic skills further. This will be delivered by a member of the year 6 team.

The session will take place every Thursday from 3.15 – 4.15pm from Thursday 26th February to Thursday 7th May (excluding the Easter holidays). Whilst this is voluntarily, we recommend that your child takes part. As part of the session we will supply the children with some light refreshments.

Please complete the following google form attached [here](#) to give permission for your child to attend. Please complete this by Friday 13th February.

If you have any further questions please do not hesitate to get in touch

Kind regards

Mr Sale

Head of Juniors
