CATERING PROVIDER

MAKE

GOOD CHOICES.

Taylor Shaw is the caterer of choice for thousands of secondary school students across the UK. We believe lunch is an integral part of the school day. When students sit down with friends, they cement relationships, enhance social skills, and replenish both their body and mind.

Our menus are exciting, nutritious, and appealing, served in a supportive environment designed to educate students about how they can make healthy choices to support their wellbeing and improve their ability to focus. We regularly introduce new concepts and dishes with strong street food influences that are familiar to students, from Global Flavours featuring amazing cuisines from around the world to Purple Pepper, our vegetarian and vegan inspired range.
