

Sixth Form Message

End of term message

As the term comes to an end, it provides a valuable opportunity to reflect on everything we have experienced and accomplished together. Looking back over the past weeks and months, it is clear how much progress has been made, both individually and as a group. We have celebrated successes, overcome challenges, developed new skills, and supported one another along the way. It has been rewarding to see the confidence, resilience, and growth that everyone has demonstrated throughout the term.

I would like to wish everyone a restful and enjoyable summer break. I look forward to welcoming our new Year 12 students in the new academic year and wish all of our returning students a wonderful summer.

Senior Student Appointments

This week, students who applied for Senior Student roles have been attending their interviews. We have been blown away by their professionalism and attitude, and we are very excited about their ideas and plans to help grow our Sixth Form cohort and create a culture of respect, support, and growth as a team.

I have shared a copy of the letter that we have sent to students, identifying who has been appointed to each role.
