ABOUT ETONBURY ACADEMY

Working at Etonbury is an unprecedented opportunity to be involved in a genuinely exciting and innovative growth programme and have real influence and input into shaping the future development and success of this creative and rural community school. Etonbury Academy has expanded and developed rapidly from a small middle school into an extended secondary school. A major site redevelopment, due to be completed for September 2018, has stunning new teaching and sports/leisure facilities in a beautiful rural setting providing over 1100 students with a fantastic environment to learn, and our staff to work.

Behaviour and Ethos were recently named Areas of National Excellence in a Challenge Partners Review. Parent and Carer's surveys show extremely high levels of satisfaction with the school, and the Academy is heavily oversubscribed. KS2 results are well above national averages and above national averages for Outstanding schools. Etonbury Academy is driving forward with energy and vigour to meet the growth and development challenges identified in our recent inspection. Victoria Pendleton CBE is our honorary patron.

Membership of the Trust means that opportunities available to staff are varied and wide-ranging. The Trust includes a Teaching School offering training and development opportunities for all staff. The growth and development of Etonbury ensures that there are also many opportunities for staff to rapidly progress their careers if they so wish.
