Any other specialist materials we use throughout the year will be supplied by the school. It is not compulsory to purchase the pack, but if you decide not to, we do recommend you have the above materials and equipment available for your child.

The ceramic and mount board contribution of £8.00 is necessary as a minimum requirement if you are NOT purchasing the full pack.

This can be paid by ParentMail in whole or part payments.

Packs will be available for students to collect during the first term in September 2018.
