

9 February 2018

Dear Year 8 Parents and Carers,

With half term here, and Key Stage 4 options taking place shortly after, I would like to inform you of upcoming events.

On **Friday 23rd February** you will receive an electronic copy of the options form to complete and our newly designed grade sheet for your child. This grade sheet will give you information on progress in core and non-core subjects and help you make an informed decision on what subjects are best suited for your child based on current performance.

This grade sheet will be issued at the end of the **KS4 taster week (19th – 23rd February)** where your child will be given the opportunity to try new option subjects available at KS4. These tasters will be based on KS4 lessons and be designed to give a real flavour of what to expect in years 9-11.

There is also the Options Evening taking place in the main hall on **Wednesday 28th February**. Taking place between 16.30-19.30, all subjects will be represented in a market place environment with teachers welcoming questions and discussion about their subjects. (Please book an hourly slot here: <https://etonburyacademy.parenteveningsystem.co.uk/>) This will open at 6pm today and close midnight 23rd February.

Finally, please [click here](#) for an electronic copy of our options booklet below. The booklet informs you of all the excellent courses we have to offer in a Key Stage Four Curriculum that is inclusive and carefully designed. The booklet gives details of all courses on offer including course content, exam boards, and examination and coursework requirements.

If you have any questions in the meantime, please don't hesitate to get in touch.

Yours sincerely

Mr R Baga
