Safety at Kingswood

Peace of mind

Safety comes first at Kingswood; we're founding members of the British Activity Providers Association (BAPA) and affiliated to a whole range of governing bodies. We employ safeguarding leaders and every team member undergoes enhanced DBS checks. There are secure boundaries around our centres and regular night patrols as standard. We're also designated COVID-safe by Kaddi.

Covid policy

The key steps we are taking to ensure everybody who visits are safe include:

- Respecting existing group bubbles
- All team members are tested for covid twice weekly
- Ensuring social distancing is adhered to, with reminders throughout our centres
- Deep cleaning cycles and sanitiser stations. All equipment will be regularly sanitised according to the government's regulations
- PPE will be worn by our team when carrying out safety checks. We will always respect your wishes if you would like to wear your own face covering

First Aid

Mrs Chillman is our lead first aider and will look after all medication
All centre activity leaders are first aid trained also

SLEEPING
