French students

We went to the Opal Coast in France for 3 nights, our tour took us to L'Escargotiere du Choquel for snail tasting, tomato & cheese were good, and garlic snails amazing! We went to Étapes for a walk around the town, a pizza vending machine and a lovely patisserie shop, then to La Halte d'Autrefois to meet the goats, have a go at milking and taste goat cheese.

We were staying at Stella Maris, 20 mins from the beach, beach evening and ice cream was a must!

Natur'Pom' in Nortkerque, to learn how apple juice is made at an organic farm.

We met Kevin at the Bee museum, a great demo from Nat!

Everyone enjoyed Chocolats de Beussent!
We ended our tour with a trip into Boulogne

Thank you to Mrs Pallister, Mrs Crossman & Mr Pullinger for your help

Thank you year 11 for making this trip fun!

“Best trip ever!”
