

Hey School Squad,

Are you ready to crank up the excitement?

Here's the deal: Engage the children in physical activities, both in and out of class, and give out the PE codes for 1000 points each.

We're kicking off March Moves with a bang.

Now, here's the winning playbook to redeem those codes:

Fire up the Street Tag app.

Navigate to the main menu and hit Playground.

Select the PE code option.

Punch in your code and hit redeem.

Blast off with "Earn Street Tag Points."

There's even more excitement in store:

- Power Hour is your golden ticket—triple points for all during the designated hour!
- Collect 18 virtual tags in a set and pocket an extra 200 points.
- Turn every step into points using Street Tag's nifty features with Fitbit, Apple Watch, or your device's built-in pedometer.
- Brace yourselves for a March packed with pulse-pounding activities. Get the full scoop at <https://streettag.co.uk/blog/street-tag-planned-activities-and-features-for-january-february-march-2024>

Let's make March Moves legendary!
