

SUBJECT	COURSE CODE	POTENTIAL BURSARY
Art & Design	W1X1	£10,000
Biology	CX11	£25,000
Business Studies	N1X1	None
Chemistry*	F2X1	£28,000
Computing*	IX99	£28,000
Dance	L884	None
Design & Technology (Product Design)	37G9	£25,000
Design & Technology (Food Technology)	Q313	£25,000
English	Q3X1	£10,000
Geography	F8X1	£25,000
History	37JJ	None
Mathematics	G1X1	£28,000
Modern Language (French)*	37GC	£25,000
Modern Languages (Spanish)*	37GD	£25,000
Music	W3X1	£10,000
PE with EBacc	W899	None
Physical Education	2MVC	None
Physics*	F3X2	£28,000
Primary (5-11)	3CL3	None
Primary (3-7)	S252	None
Primary SEND	J248	None
Primary with Mathematics	3CL4	None
Psychology	A751	None
Religious Education	V6X1	£10,000

COURSE	
Fee Funded Route	
QTS & PGCE	£9,250
QTS	£8,400
QTS Primary with Maths, SEND, PE	£8,750
Employment Based Route	
Apprenticeship QTS	£9,000
Apprenticeship PGCE (Bolt-on)	£1,350
Salaried QTS Only	£7,250
Salaried QTS Only Primary with Maths, SEND, PE	£7,600
Salaried PGCE (Bolt-on)	£1,250
Assessment Only	
Assessment Only	£2,500
Undergraduate Education Studies	
BA (HONS) Primary and Early Years Education with QTS	£9,250

## COURSE INFORMATION 2023-2024

### SCHOLARSHIPS\*

Scholarships (*tax free*) need to be applied for separately and are for applicants with a 1st, 2:1, master's or PhD, though in exceptional circumstances, they may be awarded to a graduate with a 2:2 and significant relevant experience. Scholars are entitled to benefits of membership to the professional body, professional body subject specialist events and webinars, online and face-to-face workshops across the country, subject specialist mentors and coaching, community of scholars, access to classroom resources, continuing professional development (CPD) and networking events during ITT year and Alumni.

**£30,000** for Chemistry, Computing, Mathematics, Physics

**£27,000** for MFL French, and MFL Spanish

Any scholarship would be paid in place of a bursary. Trainees should contact the relevant professional body to apply for scholarships.

**Computing:** BCS, The Chartered Institute for IT

**Chemistry:** Royal Society of Chemistry

**Languages:** British Council

**Maths:** Mathematics Teacher Training Scholarships

**Physics:** Institute of Physics Scholarships

### SALARIED COURSES & THE APPRENTICESHIP ROUTE

Salaried courses and the apprenticeship route are available in some subjects for trainees with a relevant level of teaching experience and a supporting school. There are generous bursaries for some subjects and financial support for the school. Please enquire for further details.

### TUITION FEE AND MAINTENANCE LOANS

A tuition fee loan is available to cover course costs up to £9,250 and is paid directly to your training provider. You can apply for a tuition fee loan regardless of your household income. If you have an existing student loan you can take out an additional loan to cover your teacher training and you will only start making repayments when you earn over the threshold (currently £27,575 a year).

A maintenance loan of up to £12,295 may be available to you to help with your living costs, see [www.gov.uk/student-finance/new-fulltime-students](http://www.gov.uk/student-finance/new-fulltime-students) for further details. This loan would be paid directly into your bank account at the start of each term.

### ADDITIONAL FINANCIAL SUPPORT

There is extra financial support available, which does not have to be paid back if you are a parent, have an adult dependent or a disability. For example, if you have children you could be entitled to 85% of your childcare costs of up to £179.62 a week (*1 child*) or up to £307.95 a week (*2 or more children*) from the Childcare grant and up to £1,821 from the Parents' learning allowance.

Use the student finance calculator to estimate the funding that may be available to you [www.gov.uk/student-finance-calculator](http://www.gov.uk/student-finance-calculator)
