

## **GCSE PE Moderation Details**

**Please note:** The GCSE PE practical moderation will **still** be taking place on Tuesday 23<sup>rd</sup> April. **Pupils have been briefed regarding alterations to the location of these sessions.**

It is compulsory that students attend this as it will make up 30% of their GCSE grade. Students have been briefed both in person and on their Google classrooms about the arrangements for the day.

Students will be required to attend only their relevant session and will not need to attend the full day.

The sessions are as below:

**Boys football** - arrival 8:45 am - 10:00 am

**Boys handball** - students will be taken to this session from the football session, those students only doing football will be dismissed at 10:00am

**Girls netball** - arrival 11:15 am - 12:30 pm

(if dropping off or collecting students, this will be from Pixbrook Academy)

Students will be required to wear their full Etonbury Academy PE kit for these sessions, and it is recommended that they bring appropriate food and drink for the time they are present.
