

Year 10 Mock Information

Dear Year 10 Parents and Carers,

I would like to update you concerning Year 10 mock examinations. With the school closure next week, the examinations planned for the three days when the school will be closed have been rearranged for the second week of mocks (week beginning 29th April).

To accommodate this change, MFL and music mock examinations will now take place in the classroom at a later date, all other subjects will be on the same days and times as initially planned. During the second week of mocks, examinations scheduled for the afternoon will also start slightly earlier at 2pm, enabling them to be completed by the end of the school day (apart from Further Maths that finishes at 3.45pm).

Please [click here](#) to view the updated timetable and will go through this again with pupils once they return on Thursday 25th April.

Kind regards,

Mr R Baga.
