

My Child at School App

Have you downloaded the **MCAS** App?

My Child at School - MCAS (powered by BromCom)

My Child at School is an easy and convenient way for us as a school to communicate with you and share information.

The app can be downloaded from all major app stores.

You may also access the MCAS portal from a PC, laptop or tablet using the following link:

<https://www.mychildatschool.com/MCAS/MCSParentLogin>

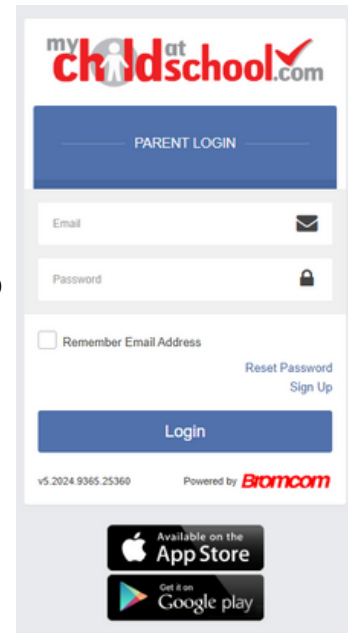

If you do not already have an account its quick and easy to register. First download the app or alternatively visit the parent login page on their website.

<https://www.mychildatschool.com/MCAS/MCSParentLogin>

To login for the first time, click 'Reset Password' and enter your email address. You will be sent a link to enable you to set a new password and access the app. Alternatively, to be sent a link to register as a parent/guardian or carer to use the app please email eta-data on the address below.

What does MCAS do for you?

- View timetables
- Access and download school reports when published
- Behaviour
- Exam information
- Club information and bookings
- Homework
- Push notifications with whole school messages and reminders (if you enable the feature)

Contact Information

For any questions or help with MCAS please email our Data Team.
