Etonbury Academy Admissions

Welcome to Etonbury Academy

We're a school where every child can shine. Our children are confident, love learning and flourish here at Etonbury. Our people are dedicated professionals who care and nurture every individual child by unlocking their full potential to be the best that they can be. Our proven track record gives you every good reason to consider Etonbury as the right school for your child.

We would be delighted to show you around our school, contact reception to arrange a date and time to tour the school with the Principal.

Our Vision

Etonbury is dedicated to delivering excellence in education. Our staff nurture well rounded, confident and responsible young people of whom we can all be proud. Individuals who have been inspired to achieve more than they ever believed possible. In partnership with families and the community, our goal is to create relevant learning opportunities for pupils — both inside and outside the classroom — that help learners develop knowledge and skills that enable them to become critical thinkers, who are prepared to make meaningful contributions to their local, national and global communities.

We do this by providing a welcoming, happy, safe, and supportive environment in which everyone is equal and all achievements are celebrated.

All staff members at Etonbury are fully committed to this vision.
