

ETONBURY
ACADEMY

Dear Year 11 Parents and Carers,

I would like to update you regarding the post-results service. Results for core subjects (English, Maths and Science) will be checked by a member of the exams team, and those that are one mark away from the next highest grade will qualify for a non-priority review of marking, paid for by Etonbury Academy.

Pupils who qualify for this review of marking will be spoken to on results day and provided with a consent letter that will require a signature.

If you would like a review of marking conducted for other subjects this will incur a fee, please see the price chart at the end of this letter. To start this review process please contact our exams officer at GWilliams@Bestacademies.org.uk by no later than **Friday 4th September**, where you will be informed of the total cost and how to make payment.

Please be aware that grades can go down as well as up, because of this all post results services require permission from the pupil, either in the form of a signature or email from their school email address.

Kind regards,

Mr R Baga

Post Results Services for Students – Summer 2026

The awarding bodies offer the following Review of Results services:

SERVICE 1 Clerical re-check

This is a re-check of all clerical procedures leading to the issue of a result.

It includes the following checks:

All parts of the script have been marked;

The totalling of marks;

The recording of marks.

The outcome of the clerical re-check will be reported along with a statement of the total marks awarded for each unit, or component, included in the enquiry. The target for completion is within 10 calendar days of the exam board receiving the request.

SERVICE 2 Review of marking

This is a post-result review of the original marking to ensure that the agreed mark scheme has been applied correctly.

Marking errors can occur due to:

An administrative error;

Failure to apply the mark scheme when a task has only a 'right' or 'wrong' answer;

An unreasonable exercise of academic judgement.

Awarding bodies train its reviewers to conduct reviews of marking accurately and consistently. The reviewers **will not** re-mark the script. Their role is to correct any errors identified in the original marking.

The deadline for completion is within 20 calendar days of the awarding body receiving the request.

This service will include: The clerical re-checks detailed in Service 1;

A review of marking as described above;

If requested, a copy of the reviewed script(s) for those units/components included as part of the Access to Scripts service.

Priority Service P2 (Review of Marking)

This is a quicker priority service. It is the same as service 2 but the deadline for completion is within 15 calendar days of the awarding body receiving the request.

Candidates' grades or marks can go down, stay the same or go up.

ATS (Access to Script)

Centres and students may request copies of scripts for the following reasons:

To support reviews of marking

To support teaching and learning
