# WELCOME TO THRIVE

## Real Food, Great Flavour

We're excited to welcome you to Thrive, your school's new food destination. We believe food should be something to look forward to: fresh, tasty, and full of flavour. Every meal is made daily by our on-site chefs using real ingredients that fuel your day.

### What's on offer?

From hot meals to grab & go favourites, there's always something to suit your mood.

- Freshly prepared hot dishes every day
- Freshly made baguettes, wraps, and hot snacks
- Barista coffee, iced drinks, and smoothies
- Seasonal specials and themed days to keep things exciting

### Value You Can See

We've made sure our prices stay student-friendly. Check out our tariff board and menu cycle to see what's available each week and don't miss the best-value meal deals that give you more for less.

### TARIFF BOARD

| BREAKFAST                                                                                                                               | MID MORNING BREAK                                                                                                                                                                                                                                                                                            | LUNCH MENU                                                                                                                                                                                                      |
