

ETONBURY
ACADEMY

31st March 2017

Dear Parents/Carers

Today your child will be bringing home three booklets (Reading, SPAG and Maths) to be completed over Easter. We have put these revision booklets together so your child can spend a short amount of time completing the tasks each day. Your child may use the Rising Stars revision books to help them with their homework.

If your child is attending Easter School they will not need to start their booklets as they will be working through these with staff throughout the week.

We appreciate your support and I wish you a Happy Easter.

Kindest regards

Mr S Rowland
Head of Year 6
