ACADEMY

10th February 2017

Dear Parent/Carer,

Students in year 6 will have a Study Week (Monday 20th February – Friday 24th February). During this week the students will follow a different timetable to their normal one.

The week will be full of lessons that will prepare your child for their SATs, they will be taught techniques to help them:

- revise;
- retain the information;
- manage their time;
- key subject information;
- relax;
- stay healthy;

We have arranged for a number of visitors to come in to deliver sessions:

- Positively Mad Workshop – Revision and remembering techniques;
- Yoga – Relaxation techniques and gentle exercise;
- Motivation Workshop - Inspire;

On Friday 24th February your child has yoga and PE we have therefore decided that he/she can attend school (for the entire day) in something suitable for the yoga session - jogging bottoms or leggings (not jeans or skirts) and a t-shirt, sweatshirt/hoody and trainers. He/she can wear the normal PE kit if they wish. For all the other days they **must** be in their normal school uniform.

They will also need their PE kit on Tuesday or Thursday (depending on their individual timetable). They will have been told their group number today and received a copy of their timetable today (they will also get one on the first day back after half term).

You will find the timetables for each group on the following pages.

We are very much looking forward to the week and hope that your child will find it useful.

Yours sincerely

Mrs T Squires
Associate Principal
