

16th March 2018

Dear Parents/Carers,

Easter School

Last Year we ran a very successful Easter School which all pupils really enjoyed; they particularly liked being the only pupils on the school site as well as their progress getting a final boost! The Easter School classes will be during the second week of the holidays, **running from Monday 9th April to Thursday 12th April, 10am-2pm.**

The Literacy and Maths teachers will be running a smaller group to help pupils practice the skills they will need to focus on when taking their reading and maths tests. All children will get homework over the holidays, so like homework club, it is much easier if they come in and complete the work with their friends and teachers.

Please note that students DO NOT need to wear their uniform to come to Easter school. They will need to bring a packed lunch with them as the session concludes at 2pm, and if they wish they can bring a snack for the 'half-time' break, although drinks and biscuits will be provided during the morning.

Please complete and submit the Google Form by clicking on the following link by **Wednesday 22nd March** and as soon as I have an idea of numbers, I can send out more details.

Thank you for your much needed support.

Yours sincerely

Mrs T McGuire
