

Dear Parent/Carer,

Theatre Shows for Year 6

As you know the year 6's are currently working incredibly hard for their SATs. We are very proud with how they all applied themselves during 'Mock SATS' week. To support their learning and as a special treat we are inviting the Quantum Theatre Company in to deliver 2 plays based around English and Maths.

This Friday we are going to watch a play called 'The Writing on The Wall.' This is a play revising 'SPAG' terms through different stories.

Then on Thursday 22nd March we are watching a play called 'The Missing Number.' This play explores place value, number and calculation through a mystery story.

To help fund these sessions we are asking for a £2.00 contribution, one payment for **both** shows. This can be paid to the school in cash, please send it in with your child, who can hand it in to their form tutor.

This is an exciting endeavour for the school and we really hope that the children enjoy it.

Yours sincerely,

Mrs T McGuire
Head of Key Stage 2

Mr S Rowland
Head of Year 6
