

ETONBURY  
ACADEMY

23 February 2018

Dear Parents/Carers

As you know it is MOCK SATS next week.

All the children are working extremely hard and this is a vital part of preparing them for their real SATS week in May.

We have been amazed and proud at the number of children who have attended homework club during lunchtimes and after school and this shows us the dedication the children are now putting into their revision and studies. We have had a really exciting study week this week, full of top tips and fun activities. These will help prepare them for the testing process and enable them to approach it with confidence and in a positive frame of mind.

The timetable is as follows:-

**Monday**- Spelling, Grammar and Punctuation

**Tuesday**- Reading,

**Wednesday**- Arithmetic Paper and Maths Reasoning Test 1 and finally

**Thursday**- Maths Reasoning Test 2

We couldn't have asked them to work any harder and the staff and I aim to ensure the week goes as smoothly as possible. Therefore we have lots of relaxation and 'free time' planned as well as the tests. During Mock SATs week, drinks and biscuits will be provided for all Year 6 children free of charge.

As we are sure you will be aware, it is a statutory legal requirement that every child **MUST** be in school on each day that week, just as it will be in May. All tests will begin at **9.00am** so please ensure that your child arrives on time each day in order that they have adequate time to prepare for their day.

Please also do your best to ensure your child goes to bed at a reasonable hour and ensure they are calm and relaxed, as much as possible.

Thank you for your cooperation and support during this challenging time for Year 6 pupils. Please be assured we will do everything we can to support you and the students.

Kind Regards

Mrs T McGuire  
Assistant Principal and Head of Key Stage 2
