ACADEMY

15 December 2017

Dear Parents/Carers,

With Christmas upon us and the sales fast approaching, I thought it appropriate to advise you of some essential items of clothing your child will require for the trip. Please find a copy of the kit list essentials attached.

The kit list has items referred to as base layers which are essential. If your child does not own suitable base layers then long-sleeved T-shirts and leggings or thermals are a suitable alternative. **Every child will require Walking Boots as we will be out and about in the countryside and foot and ankle support is paramount** . I would advise you to ask around and borrow rather than purchase these items if you can.

If you have any queries please do not hesitate to contact us via the school or our emails, lgeer@bemat.org.uk and sallan@bemat.org.uk

Wishing you a very Merry Christmas and Happy New Year.

Yours sincerely,

Mrs S Allan
