

1 February 2019

**Message from the Mathematics Department**

Please would parents ensure that your children all bring the basic equipment for each of their mathematics lessons. This includes

***Pens***

***Pencils***

***Ruler***

***Eraser***

***Scientific calculator.***

It is **essential** that your child has these, so that they are able to fully engage with their learning.

**We do not allow the use of mobile phones during lessons.** They are not permitted in public examinations.

Most revision materials are tailored to the Casio calculators (as shown here) so these are the most popular but there are other brands available, for a reasonable price if you shop around.

If you do have any questions, please do contact your child's mathematics teacher.

**Mr L Vanner**

**Head of Mathematics**
