

6 October 2017

Dear Parent/Carers,

Etonbury Academy's annual Harvest Festival will take place on Tuesday 17<sup>th</sup> and Wednesday 18<sup>th</sup> October 2017.

The theme for Harvest is bees. Bees are vital to our lives as they are among the primary pollinators of plants in the UK. It has been deduced that if our native bees were to die out the effect on crops and wild flowers would be utterly catastrophic. As these crops and flowers provide food for our wild and farm animals we could easily lose up to a third of our regular diet. This is a very real problem, and one that is not getting the attention it needs. Therefore we will be holding a bee cake competition across all year groups with a prize for a winner in each year. This will be followed by a cake sale all proceeds going to Etonbury's Need Project.

As we Celebrate Harvest this year we are asking for your help to support our very successful NEED Project by donating groceries, we would be particularly grateful for, tins of food, squash and sugar.

We would like to thank you in advance for your generous contributions that will not only make our Harvest Festival great success, but will make a difference to the lives of some families living in our local community.

Your, Sincerely

Mrs J Binks.
