

Dear Parents/Carers,

After **May half term** as part of PSHCE lessons, pupils will be receiving their Relationships and Sex education lessons.

They will cover information on:

- Understanding what makes a healthy relationship.
- Acknowledging and respecting the right not to have intimate relationships until ready.
- About the law in relation to consent; including the legal age of consent for sexual activity, the legal definition of consent and the responsibility in law for the seeker of consent to ensure that consent has been given.
- To recognise the portrayal and impact of sex in the media and social media.
- To understand the difference between assigned/biological sex, gender identity and sexual orientation.
- To recap understanding of contraception, including the condom and pill and to develop communication and negotiation skills necessary for contraceptive use in healthy relationships.

We find that these sessions are further enhanced when parents follow them up at home.

Parents have a statutory right to withdraw their child from these lessons. Please indicate on the slip below if you would like to withdraw your child from these lessons.

If you have any further questions or concerns please contact me
