

Dear Parents/Carers,

After **May half term** as part of PSHCE lessons, Year 7 pupils will be receiving their Relationships and Sex education lessons.

They will be focusing on the key areas below.

- Understanding what makes a healthy relationship.
- To recognise and understand changes in feelings, including sexual attraction.
- To understand the nature and importance of marriage, civil partnerships and other stable, long-term relationships for family life and bringing up children.
- To know about parenthood and the consequences of teenage pregnancy.
- They will also cover contraception, and how this acts as protection in relation to pregnancy and some STIs.

We find that these sessions are further enhanced when parents follow them up at home.

Parents have a statutory right to withdraw their child from these lessons. Please indicate on the slip below if you would like to withdraw your child from these lessons.

If you have any further questions or concerns please contact me
