

Dear Etonbury Yr6 Parents and Carers,

This is an extremely important time for all pupils in Year 6 because with SATS firmly on the horizon we all need to be ready for a busy term ahead. As always, your support is invaluable and this coming term it is essential in helping students tackle the SATs tests with confidence and positivity, and to achieve the best they can.

We will, of course, continue to have high expectations for behaviour, appearance and quality of work, and we are extremely pleased with the positive start to year 6 that the students have made in all of these areas.

To help you and your child we would like to invite you to a short information evening that will explain the SATs process, what we do, and how you can support your son or daughter.

This will be held on Monday 30th January from 6pm to 7pm.

Although we can accommodate students in the hall, the meeting is intended for parents/carers. Refreshments will be available. Please click on the following link to let us know if you can attend.
<https://goo.gl/forms/q9VgGozxJ8zqDTFk2>

SATS are important for a number of reasons. They are an excellent way for the students to celebrate all their effort and hard work, but they are used throughout Key Stage 3 and 4 both to set the pupils and to predict GCSE results (by schools and the Government).

This year we are putting in place successful strategies and opportunities for your children to be supported throughout this time. These will be explained in the meeting and of course there will be an opportunity for you to ask any questions that you may have.

Thank you for your continued support and I look forward to seeing you at this important event.

Yours sincerely

Ms. T McGuire
