Dear Parents and Carers

**RE: Year 11 'Focus on: Revision' Day**

With the mock exams commencing on Monday 19<sup>th</sup> November for a period of two weeks, I am pleased to inform you that I am organising a '**Focus on: Revision' Day for Year 11 on Tuesday 16<sup>th</sup> October**. Your child will be taking part in activities to support them in preparing for their exams and will therefore be 'off timetable' during periods 1 – 3.

The sessions will be run by their pastoral form tutor and comprise of the following:

1. Assembly providing information on the mock exams
2. Session on study skills and revision strategies
3. Session on stress management during exam time.

Your child will also receive their individual exam timetable for the mock exams; a copy of this will be sent home to you via email in early November.

I am also conscious that for many, if not all parents, it may be many years since you yourself studied for exams. With this in mind I am considering organising an exam revision strategy session for parents one afternoon (after school hours). If you would be interested in attending then please register your interest with me: [aroe@bestacademies.org.uk](mailto:aroe@bestacademies.org.uk) as this will only be offered if there is enough parental interest.

Kind Regards

Ms. Allie Roe
