

22 November 2019

Dear Year 11 parents and carers,

As we start to enter students into the summer series of examinations I would like to clarify whether your son/daughter would like to be entered for the RS full course. All students have been following the course during statutory RS lessons, though there is no formal requirement to sit the examination. Some students may wish to sit the exam whilst others will want to concentrate on other qualifications which already give them a full complement of qualifications.

In light of Mrs Binks absence, I have brought forward my letter so that I can sooner explore grouping students together who wish to complete the qualification.

If you wish for your son/daughter to be entered for the full course examinations, please return the slip below to myself, Mr R Baga or email rbaga@bestacademies.org.uk by **Friday 6 December**. If we do not receive a reply, your child will not be entered.

.....

I/we can confirm we would like our son/daughter _____
to be entered for the RS GCSE full course.

Signed: _____
