

28 February 2020

Dear Parent/carer,

Re - Coronavirus (COVID-19) Update

As you will no doubt be aware the development of COVID-19 is continually changing. We wanted to reassure you that we take the health and safety of our pupils and staff very seriously, and following this [guidance](#) from Public Health England on steps you should be taking.

There is currently no cause for concern at the school, but we will keep you informed about any developments and trip changes. Hand sanitisers have also been installed around the school.

Prevent the spread of infection

Make sure you and your children follow these general principles to prevent spreading any respiratory virus:

- Wash your hands often – with soap and water for at least 20 seconds, or an alcohol-based sanitiser if soap and water aren't available
- Avoid touching your eyes, nose, and mouth with unwashed hands
- Avoid close contact with people who are sick
- If you feel unwell, stay at home and don't attend work or school
- Cover your cough or sneeze with a tissue, then throw the tissue in a bin
- Clean and disinfect frequently touched objects and surfaces in the home
- If you're worried about your symptoms, please call NHS 111 – don't go directly to your GP or other healthcare environment

If you or your children have returned from a category 1 country or area in past 14 days

This includes:

- Wuhan city and Hubei province, China
- Iran*
- Daegu or Cheongdo, South Korea*
- Any Italian town under containment measures* ([see the map here](#))

*Only if you have returned on or after 19 February 2020

Contact NHS 111 for advice, and:

- Self-isolate for 14 days after leaving the country or area (see the [home isolation advice sheet](#) for help with this)

Principal: Mr Ian Evason

- If you become unwell, call NHS 111 immediately for an assessment (or 999 if you require emergency medical attention) – see below for the symptoms to look out for.

If you or your children have returned from a category 2 country or area in the last 14 days

This includes:

- Cambodia
- China (other than Wuhan city or Hubei province)
- Hong Kong
- Italy: north* (see the map [here](#))
- Japan
- Laos
- Macau
- Malaysia
- Myanmar
- Singapore
- South Korea (other than Daegu or Cheongdo)
- Taiwan
- Thailand
- Vietnam

* Only if you've returned on or after 19 February 2020

If you or your children are well:

- You don't need to avoid contact with other people
- Your other family members don't need to take any precautions or make any changes to their own activities
- If you become unwell (see below for a list of symptoms):
- Stay indoors and avoid contact with other people as you would with other flu viruses (see the [home isolation advice sheet](#) for help with this)
- Call NHS 111 immediately for an assessment (or 999 if you require emergency medical attention)

Symptoms to look out for:

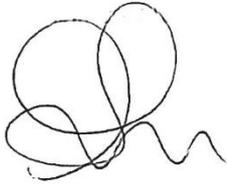

If you've returned from any of the category 1 or 2 areas or countries, look out for the following symptoms:

- Cough
- According to other [official guidance](#), while you wait for further advice:
- Avoid contact with others
- Stay at home
- Difficulty in breathing
- Fever (a temperature of 38 degrees C or higher) – don't go to work or school
- Don't travel while sick
- Cover your mouth and nose with a tissue or your sleeve (not your hands) when coughing or sneezing, throwing tissues in the bin

- Wash your hands often with soap and water for at least 20 seconds (or an alcohol-based sanitiser if soap and water aren't available)

If you have any concerns, please do not hesitate to contact the school, but we will keep you updated.

Yours sincerely
