

ETONBURY
ACADEMY

6 March 2020

Dear Parents/Carers

It was very pleasing to meet so many of you last week at our KS2 SATs Parents Evening. We are presently awaiting the arrival of the revision guides which will be distributed before the end of the week. The children worked tirelessly last week through their final Mock SATs papers which we are busily analysing so we can focus our teaching in the coming eight weeks prior to the SATs themselves.

I need to take this opportunity to inform you that, after a long period of ill health, Mrs La Francesca has taken the decision to leave her position at Etonbury Academy with immediate effect and will not be returning to teaching in Saturn. I am pleased to say Mr Benham will remain class teacher with those pupils until the end of the year to ensure stability and consistency for the children.

In addition to this, Mrs Martin in Neptune, has experienced a change in personal circumstances, which has led to her having to leave her position after Easter to take on a role elsewhere. However, this has allowed myself as Head of Juniors to assume the full-time role as Neptune's teacher until Mrs White returns later in the Summer term.

Thank you for your ongoing support throughout the year as we work together preparing our pupils for their time in Year 7.

Kind regards

Mrs Whittle
Head of Juniors
