

ETONBURY
ACADEMY

Friday 13 March

Dear Parents/Carers,

We are very excited about the activities we have planned in school next week for those students in Year 5 who are not going on the residential trip.

We will be completing:

- a number of team building activities;
- a young enterprise day (creating a new product);
- work in our science garden;
- an art project inspired by nature;
- reporting on the week's activities.

The children will also still have music, French and PE lessons during the week. As such can we please ask the children to have their PE kit with them in school every day next week (they can leave it in their boxes) and their recorders on Tuesday. We would also like the children to wear PE kit all day on Thursday as we will be spending a large amount of time outside in the science garden and completing our nature art project.

If you have any leftover cardboard boxes or packaging material that you would like to donate to our projects, along with 2L plastic drinks bottles, please can you send these into school on Monday.

Thank you for your support, we are looking forward to an action packed week!

Yours sincerely

Mrs Walker & Miss Linwood
