Dear Parents/carers,

Year 10 And 11 GCSE PE Students

In light of current circumstances, we are writing to inform you that in GCSE PE lessons we will be delivering practical moderation lessons. This is an essential part of their GCSE qualification, part of this means that it will be important for us to deliver contact sports within our GCSE PE lessons. This allows us to fulfill requirements set by the course for moderation preparation.

Delivering contact sports within bubbles does not go against AfPE guidelines and the students' health and well-being will continue to be of the utmost importance to us as a department and school. If you have any concerns about the delivery of contact sports or with your child participating in these, do not hesitate to contact Mr Pullinger on mpullinger@bestacademies.org.uk

Kind regards

Mr M Pullinger
