Dear Parent/Carer

GCSE Geography Revision – AQA Specification

Every other year the Geography Department offers students the opportunity to purchase a GCSE geography revision guide and/or workbook specifically written for our AQA specification.

The Pocket-Sized Revision Guide (which includes 127 pages and can be downloaded digitally) covers all the required areas of study and is packed with diagrams to aid understanding. The book should aid pupils as they revise for their GCSE course.

For this new specification, there is also a ‘Practice Papers’ booklet that CGP has written so students can develop their exam technique further, whilst also revising effectively for this new course that does not have a large bank of past papers. In addition, there is a workbook to purchase to ensure focused revision activities which also includes an answer booklet.

Although not essential to the course, the revision guide, workbook or exam papers are excellent additional resources to your child’s revision programme. The prices, including school discount, are as follows:

Pocket Sized Revision Guide	£ 2.99	(RRP £4.99)
CGP AQA GCSE Practice Workbook	£ 4.35	(RRP £7.95)
CGP AQA GCSE Practice Papers	£2.95	(RRP £6.95)

If you would like to purchase a copy of any of the above, please do so via ParentMail by Friday 27 November. Once the deadline has passed the resources will be ordered and handed to your child.

Should you have any questions, please do not hesitate to contact me via email at lharbour@bestacademies.org.uk

Yours sincerely

Mrs Harbour
