

12 February 2021

Dear Year 9 Parents and Carers,

I hope you are well, hopefully you have had a chance to look through the KS4 Prospectus with your child(ren) and identify interests going forward. Subject specific Loom links are on the reverse of this letter and will provide you with additional information and insight into the various courses on offer.

We are also now at the next stage of the process where options are to be selected from option blocks. Below are the 4 blocks that have been carefully designed to allow a variety of paths for pupils, catering for both academic and vocational preferences in a broad and balanced manner.

Pupils are to select 1 subject from each block (a total of 4 options) with the only requirement being that **at least one subject out of the four selected** is from the following list. A pupil may select more than one of these subjects if they wish to.

- Computer science
- Geography
- History
- French
- German

Block 1	Block 2	Block 3	Block 4
